Introduction

I am Nida Imtiaz, a Computer Science student with a strong foundation in programming, problem-solving, and software development. I aim to apply my knowledge to real-world challenges, contribute to innovative projects, and enhance my expertise in technology.

Experience

- **Career Institute (July 2024 - September 2024)**

Worked as a Web Development Intern at Career Institute Faisalabad, where I contributed to designing and developing responsive websites using HTML, CSS, and JavaScript. Enhanced website functionality and user experience by debugging and optimizing front-end features.

- **Shiblee College For Women (October 2025 - March 2026)**

I am currently working as a Teacher at Shiblee College For Women, where I teach BSCS students. My responsibilities include delivering lectures, guiding students in programming and theoretical subjects, assisting with academic projects, and supporting their overall learning and professional developme...
