Satiana Road Faisalabad

Additional Information

Date Of Birth: 10-Nov, 2003

About Me

I am Nida Imtiaz, a Computer Science student with a strong foundation in programming, problem-solving, and software development. I aim to apply my knowledge to real-world challenges, contribute to innovative projects, and enhance my expertise in technology.

Education

The University of Faisalabad (November 2021 - July 2025)

Bachelors of Computer Science (Mathematics, Computer Science)

CGPA: 3.5

Final year Research work

Smart Classroom Attendance & Action Recognition Developing an AI-driven system that automates atten...

Work Experience

Career Institute (July 2024 - September 2024)

Worked as a Web Development Intern at Career Institute Faisalabad, where I contributed to designing and developing responsive websites using HTML, CSS, and JavaScript. Enhanced website functionality and user experience by debugging and optimizing front-end features.

Shiblee College For Women (October 2025 - March 2026)

I am currently working as a Teacher at Shiblee College For Women, where I teach BSCS students. My responsibilities include delivering lectures, guiding students in programming and theoretical subjects, assisting with academic projects, and supporting their overall learning and professional developme...
